JEWEL DEY

I am Jewel Dey and I was born in 8th October 1994 at Chattogram district in Bangladesh. I received my B.Eng. in Electrical and Electronics Engineering from Southern University Bangladesh in 2018. Now, I am studying M.Sc. in Chittagong university of Engineering and Technology in Institute of Energy Technology. I am the Class Representative (CR) in Institute of Energy Technology (IET). CUET and the Moderator of Institute of Energy Technology (IET) official page group. CUET. I was a member the organizer of 'RCB Robo-Fight, 2017, 'Presentation and Skill Development Workshop 2014' and TIB (Transparency international Bangladesh) former YES friend member. Design and Implementation of a Face Recognition Base Door Access Security System Using by Raspberry Pi was my B.Eng. thesis title. My interest is to research about in renewable energy, solar energy system and microgrid.

Paper id : 58-Analysis of a Microgrid having Solar System with Maximum Power Point Tracking and Battery
