Bejaia /Algeria

A B O U T M E

I was born on 02/01/1996 in Elkseur, Bejaia, Algeria. I received my Bachelor's degree in Automatic and the Master degree in Automatic and informatics industrial from University of Bejaia, Algeria, in 2018 and 2020, respectively. Where I'm currently working toward the Ph.D. degree in Automatics. My research interests design of a battery charger circuit with intelligent control of maximum photovoltaic power tracking (MPPT).
