

PROFESSOR ERDAL IRMAK

Erdal Irmak was born in Ankara, Turkey in 1976. After primary, secondary and high school education, he attended Gazi University, Turkey, where he majored in technical and engineering education. Upon completion of undergraduate education, he received MSc degree in 2001 and PhD degree in 2007 from Graduate School of Natural and Applied Sciences of Gazi University. He has authored or co-authored more than 100 peer-reviewed publications, a great deal of which are focused on electrical energy and power systems, renewable energy technologies and smart grids, interactive applications and up to date training tools for engineering education. Currently, he is full-time Professor in Electrical and Electronics Engineering Department of Gazi University. He is a member of IEEE.
